

Pricing & Packages

At PACE – Positive Aged Care Experience, we understand that every individual and family is unique. Whether you require guidance from the very beginning, support choosing the right Residential Aged Care home, or assistance throughout the transition, PACE offers flexible support packages designed to meet your needs.

Complimentary 20-Minute Consultation

Not sure where to start?

PACE offers a **complimentary 20-minute phone or online consultation** to discuss your situation, answer your initial questions and help you determine whether PACE is the right support for you or your loved one.

There is no obligation. It's simply an opportunity to understand your circumstances and discuss how PACE may be able to assist.
